Background

Since its founding in 1973, Jhpiego has been innovating to save the lives of women and families worldwide, Jhpiego creates and delivers transformative healthcare solutions that save lives. In partnership with national governments, health experts and local communities, Jhpiego builds health providers' skills and develops systems that save lives now and guarantee healthier futures for women and their families.

Jhpiego through the U.S. Health Resources and Services Administration (HRSA) and funding from the U.S. President's Emergency Plan for AIDS Relief (PEPFAR) continue to provide innovative and evidence-based interventions across 30 high volume sites in 4 high burden districts of Sierra Leone to meet the UNAIDS 95.95.95 target for HIV epidemic control.

Jhpiego is seeking a vendor to supply the following:

- Infection, Prevention and Control Items

General Requirements

- 1) Must be registered to conduct business and in compliance with governmental tax regulations in Sierra Leone.
- 2) Jhpiego retains the right to reject, cancel, negotiate, amend, split, and accept any offer, without consideration of the lowest offer.
- 3) Jhpiego requires only original products.
- 4) This is an invitation to potential bidders and is not a promise or obligation that Jhpiego will contract bidders through the submitted offers.
