Background

Since its founding in 1973, Jhpiego has been innovating to save the lives of women and families worldwide

Jhpiego creates and delivers transformative healthcare solutions that save lives. In partnership with national governments, health experts, and local communities, Jhpiego builds health providers’ skills and develops systems that save lives now and guarantee healthier futures for women and their families.

Jhpiego through the U.S. Health Resources and Services Administration (HRSA) and funding from the U.S. President’s Emergency Plan for AIDS Relief (PEPFAR) continue to provide innovative and evidence-based interventions across 30 high-volume sites in 4 high burden districts of Sierra Leone to meet the UNAIDS 95.95.95 target for HIV epidemic control.

Jhpiego is seeking for a vendor to supply the following:

Item Description	Specification
Lab Consumables	AHV Testing Materials

General Requirements

1. Must be registered to conduct business and in compliance with governmental tax regulations in Sierra Leone.
2. Jhpiego retains the right to reject, cancel, negotiate, amend, split, and accept any offer, without consideration of the lowest offer.
3. This is an invitation to potential bidders and is not a promise or obligation that Jhpiego will contract with bidders through the submitted offers.
