Background

Since its founding in 1973, Jhpiego has been innovating to save the lives of women and families worldwide

Jhpiego creates and delivers transformative health care solutions that save lives. In partnership with national governments, health experts and local communities, Jhpiego builds health providers' skills and develops systems that save lives now and guarantee healthier futures for women and their families.

Jhpiego through the U.S. Health Resources and Services Administration (HRSA) and funding from the U.S. President's Emergency Plan for AIDS Relief (PEPFAR) continue to provide innovative and evidence-based interventions across 30 high volume sites in 4 high burden districts of Sierra Leone to meet the UNAIDS 95.95.95 target for HIV epidemic control.
